# THE ASSOCIATIONS

The EUF is the Representative Body for the Factoring and Commercial Finance Industry in the EU. It comprises National and International Industry Associations that are active in the EU.

The EUF seeks to engage with Government and legislators to enhance the availability of finance to business, with a particular emphasis on the SME community. The EUF acts as a platform between the Factoring and Commercial Finance Industry and key legislative decision makers across Europe, bringing together national experts to speak with one voice.

The EUF is a source of reference and expertise between the factoring and Commercial Finance Industry and key legislative decision makers across Europe. Its aim is to provide legislators and policy makers with vital Industry information to inform, influence and assist with the direction of existing and future finance legislation. It seeks to ensure the continued provision of prudent, well-structured and reasonably priced finance to businesses across the EU.

Facilitating Open Account – Receivables Finance

FCI is the Global Representative Body for Factoring and Financing of Open Account Domestic and International Trade Receivables. FCI was set up in 1968 as a non-profit global association. With today close to 400 member companies in more than 90 countries, FCI offers a unique network for cooperation in cross-border factoring.

Member transactions represent nearly 60% of the world's international correspondent factoring volume. FCI is a non-exclusive organization, open to any company which is providing Factoring Services or plans to set up Factoring Activities but also to service providers to the industry.

FCI offers three major areas of activities:

**CONNECT:** the Business network supports cross-border factoring activities through which its members cooperate as export and import factors

**EDUCATE:** FCI promotes and develops best practices in both domestic and international factoring and related Open Account Finance products

**INFLUENCE:** FCI promotes and defends the Industry with stakeholders and policy makers worldwide
