9th European Factoring Summit

Raiffeisen Bank International, Vienna, Austria

21-22 March 2024

Diamond Sponsors

Gold Sponsors

Institutional Partners

The European Factoring Summit is the only European Conference organized **by** the Factoring Industry **for** the Factoring Industry.

Share latest updates and be involved in promoting and celebrating the impact of the Commercial Finance Industry which supports the real economy and employment in Europe.

WHAT TO EXPECT FROM THE CONFERENCE?

FCI and EUF represent over 98% of all European market players. This ninth Summit is a unique opportunity for Industry Leaders to network and address topics that really matter for the Factoring Industry.

The programme will address the latest updates, promoting and celebrating the impact of the Factoring and Commercial Finance Industry which supports the real economy and employment in Europe.

- Get an update on the most recent evolutions on the European Factoring scene, both in terms of figures and products offered.
- Factoring towards International Commerce
- What does the factoring industry look like in Austria?
- What roused the factoring industry in 2023? Report from EUF Technical Committees.
- Panel discussion on the Late Payment Regulation?
- How is the future seen by senior executives?
- Factoring for sustainable development
- Factoring in the age of AI

WHO SHOULD ATTEND?

Anyone who needs to be up to date with the latest trends and developments in the European Factoring and Commercial Finance Industry, including:

- Senior Managers of FCI members
- CEOs of Industry players who are members of National Associations represented by the EUF
- CEOs of Industry players from other European and interested countries
- Teachers, Researchers and Professionals with an interest in the finance of business in Europe
- Supply Chain Finance companies
- Companies offering their services to the world of factoring (lawyers, insurers, IT providers)

THE ASSOCIATIONS

The EUF is the Representative Body for the Factoring and Commercial Finance Industry in the EU. It comprises National and International Industry Associations that are active in the EU.

The EUF seeks to engage with Government and legislators to enhance the availability of finance to business, with a particular emphasis on the SME community. The EUF acts as a platform between the Factoring and Commercial Finance Industry and key legislative decision makers across Europe, bringing together national experts to speak with one voice.

The EUF is a source of reference and expertise between the factoring and Commercial Finance Industry and key legislative decision makers across Europe. Its aim is to provide legislators and policy makers with vital Industry information to inform, influence and assist with the direction of existing and future finance legislation. It seeks to ensure the continued provision of prudent, well-structured and reasonably priced finance to businesses across the EU.

Facilitating Open Account – Receivables Finance

FCI is the Global Representative Body for Factoring and Financing of Open Account Domestic and International Trade Receivables. FCI was set up in 1968 as a non-profit global association. With today close to 400 member companies in more than 90 countries, FCI offers a unique network for cooperation in cross-border factoring.

Member transactions represent nearly 60% of the world's international correspondent factoring volume. FCI is a non-exclusive organization, open to any company which is providing Factoring Services or plans to set up Factoring Activities but also to service providers to the industry.

FCI offers three major areas of activities:

CONNECT: the Business network supports cross-border factoring activities through which its members cooperate as export and import factors

EDUCATE: FCI promotes and develops best practices in both domestic and international factoring and related Open Account Finance products

INFLUENCE: FCI promotes and defends the Industry with stakeholders and policy makers worldwide
